WELL DONE!

Please help us to achieve the best percentage we possibly can.

Please be aware that any absence, including sickness, affects the attendance of your child.

Thank you in advance for your support

Year 1 are attending the 'Beeline story-telling festival' at the University of Worcester on Monday 17th October.

Please make sure your child is at school by 8.50am latest as the coach will be leaving promptly at 9am.

They will be returning back to school in time for lunch.

They will be meeting the famous author, Chloe Inkpen and will hear her stories.

CONTACT INFORMATION

A data collection sheet has been sent home with your child today. It is very important that this information is kept up to date, just in case we need to contact you during an emergency. Please amend any changes and return the form to the school office as soon as possible.

The box office for Halloween Tickets has now closed!

MESSAGE FROM THE HEAD

Another busy week has passed at Carnforth leading us up to the final week of this half term.

Sport continues to play a major part in our school life; we have had practice rugby and football matches against Hollymount and our girls went to a netball festival at Kings School, Worcester.

Our thanks go to the University of Worcester for inviting Year 6 children to the Worcester Literacy Festival to discuss spooky tales.

Next week will be our data capture week when we will be checking on the progress and attainment of the children ready for parents evening when we return after the half term holiday.

Keep the dates free for parents consultations : 8th and 10th November, 5-7pm and 3-5pm respectively.

Mrs Sara Wood

OUR WEEK IN YEAR 2

We have been looking at the story of Hansel and Gretel in English. We changed the story so Gretel made a magic potion which turned the witch into a nice old lady. In science to help her we did an investigation to see which materials would be better suited for a roof for her gingerbread house. We found that using paper, sticks or leaves would have made the inside of her house wet!!! Soggy carpet!! But we found out that if she used tin foil this would make her roof waterproof. During the investigation we used the same amount of water each time to make it a fair test. We only changed the materials we used.

LETTERS SENT HOME THIS WEEK

Tag Rugby and Football Match Letter (Years 4—6)
School Coats order form for pupils (whole school)
Pupil data collection sheets (whole school)

TRIPS AND EVENTS

On Tuesday Year 6 had the opportunity of joining in with Worcester University's Beeline Festival. We were entertained by the famous author Ben Haggerty.

Before beginning his story he had us hooked with solving the riddle: **What is greater than God, worse than the devil and without it, we would die?** (See if you can solve it!).

He then went on to tell us a spooky tale all about kings, magic and demons! He was incredibly engaging and at points some children were chosen to join him on stage to help perform the story. It was a great experience for the children to hear stories being told and meet him in person.

Ask anyone in Year 6 to retell you the story...if you're brave enough!

Family Mission

Two to Five

Which of the numbers from 1 to 20 can you make with the digits:

**2, 3, 4
and 5**

You can use any mathematical operations but you must use all four digits once each in each calculation.

For Example $20 = 4(3 - 2) \times 5$

FAMILY SUPPORT DROP - IN
AT CARNFORTH SCHOOL AND HOLLYMOUNT SCHOOL

ALTERNATE WEDNESDAY 9.00 - 10.00 A.M.
TERM TIME ONLY

Do you need some general advice and support about bedtime and morning routines, aggression and compliance, lying and stealing, swearing, rudeness and disrespect or any other behaviour problems in children?

Please come along to see Penny, the Early Intervention Family Support Worker at her weekly drop in for an informal chat.

She can also support you in completing forms, signposting to other agencies or just accessing information about other services in the area.

Penny also facilitates parenting programme such as The Family Links Nurturing Parenting Programme and The Triple P Positive Parenting Programme, as well as shorter Behaviour Workshops. If you would like more information about local programmes in your area, please come along to a drop in or give her a call.

You can contact Penny Trevett on:
