

Sports Premium Grant Strategic Plan 2016/17

"I want every child to be able to aim for the stars, and to be supported in reaching them." (David Laws, Education Minister, 2012). Since September 2013 each school has received funding called Sports Premium. The funding is to make 'additional and sustainable improvements to the provision of PE and sport for the benefits of all pupils to encourage the development of healthy, active lifestyles.' (Gov2016) This means that we can use the premium to:

- Develop or add to the PE and sport activities that our school already offers
- Make improvements that will benefit pupils joining the school in future year.

At The Fairfield Community Primary School Hill we really value the importance of Sport and PE and we are committed to offer our children the chance to really get involved in a variety of different sports and games in a competitive environment and to hopefully foster a love of sport that remains with them for life and opens up opportunities beyond what we offer at school.
