Miss Kewn

# Walk like an Egyptian

...will be on a  
**Monday**  
(Swimming)  
and **Tuesday**  
(dance)

## Literacy

We will be concentrating on reading and writing really great stories. We will look at the language used in stories and how to create good sentences. We will also dip in to diaries, newspaper reports, letters and arguments. We will also learn about hieroglyphics.

## Numeracy

We will develop our calculation skills including addition and subtraction, multiplication and division.

We will be developing our mental maths skills and learning our tables off by heart!  
(Like we did in the old days!)

We will tackle fractions and decimals, shape and measures too, including time.  
AND, Roman Numerals.

## Science

We will be looking the human digestive system and how bodies were preserve!

## Art and design and music

We will be using our art skills to create papyrus paintings, cartouches, death masks and canopic jars.

## Computers and DT

We will be creating shadufs and baking Egyptian bread. In computing we will design, write and debug programs that accomplish specific goals!

## Humanities and RE

Finding out where Egypt is and its geography and the role of The Nile.

We will learn about the life of Ancient Egyptians, pharaohs, pyramids, and their daily life.

## PE

Egyptian Dance and Fitness - developing strength, stamina, speed and flexibility and swimming!

## MFL

We will be learning French!  
(dig out your old school books)  
We will look at topics including, time, family, happy birthday and the weather.

## British Values

May: Honesty

June: Hope

July: Co-operation

## Visits

Croft Farm in Tewkesbury!  
Our residential trip...pack your gear!

**If you have any questions or queries please don't hesitate to contact us at school! Thank you for all your support.**

## Unlocking the learning at home...

- Daily reading and answering questions about what you've read. Use your targets.
- Learn those tables up to x 12!
- Spellings will be sent home and tested on most **FRIDAY'S**
- Maths will be focussing on our mental maths skills of the week.
- Visit the library, borrow some books!
- **READ, READ, READ!**
